## RAGM Newsletter - Dec 2019

This end of year newsletter contains articles of interest to Rotarians involved in several facets of economic development including the interesting connection with the Rotary World Peace Conference. President Nick Frankle offers his best wishes to our members and newsletter subscribers. We continue to strive for value for our supporters. On the rising tide of change the United Nations's Sustainable Development Goals are being discussed by Rotarians and others as the big push of the next decade. See why this optimism is building. Past President Jim Louttit has been out in the RAGM world and offers a report on three topics of interest - Marathon, EforAll & his entry in the Rotary Zone Newsletter.

**Never doubt that a small group of thoughtful, committed, citizens can change the world. Indeed, it is the only thing that ever has. Margaret Meed.**
